

# Care & Conservation of Indigenous Collections Workshop

Join our in-person **cost-free** workshop\*  
in Santa Rosa, CA!  
Transportation, accommodation and  
meals are included.

Our two instructors will demonstrate  
hands-on basic conservation and  
collections care based on participants'  
interests and needs. These may include  
**box building, storage design,  
pest management, object cleaning,  
mold remediation**, and more!
